

## Message from God

---

Instructions from God, the Most High God.  
I hope I get this right.

1. Go and get a lamb, and unblemished lamb.
2. Slit it's throat, and sprinkle it's blood upon the doorpost's of your house.
3. The angel of death is visiting your neighbor hood.
4. When the angel of death see's the lambs blood upon your doorpost's, it will pass over your home, and not harm you.
5. At the appointed hour, stay inside your home. Do not go outside!
6. **Exo 12:13** And the blood shall be to you for a token upon the houses where ye *are*: and when I see the blood, I will pass over you, and the plague shall not be upon you to destroy *you*, when I smite the land of Egypt.

If you fail to follow these instructions, the Angel of death, will find you wherever you would be.

Lives just drop dead, and can do nothing to prevent it, when the Angel of death reaches them. At least, so I would think.

Since you decided not to put the lambs blood on your doorpost's, at the appointed hour, the Angel of death, will enter your home, and your life will end.

No one is sure just exactly when the Angel of Death is coming, could happen at any given moment, so it's best to be prepared, and follow these plans.

The Angel of Death is capable of killing your entire Family if it decides to do so, and nothing can be done about it!

Do not take these instructions lightly, there is a lot at stake here. God has provided a way for your lives to be spared...
