

## A New Earth Like Heaven

---

Wouldn't it be great to live on a new Earth like Heaven? What would it be like? Well, our daily prayer is a clue : **Mat 6:10 Thy kingdom come. Thy will be done in earth, as it is in heaven.** And, **Rev 21:1** And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea.

For the current earth is under the rulership of the devil, but the next earth will be under the rulership of Jesus! It's takes more time for the devils kingdom to come to an end! It will be an earth not based on money, or developed by the human race, but an earth made by Jesus (which will be like Heaven). You will not have much work to do, I do not think. The new earth will last at least 1000 Years, with Jesus as it's King! We will have perfected bodies that do not die. There is no suffering or illnesses of any kind. God will be with us on the Earth, and we will be with Jesus. Imagine the Holy City New Jerusalem. Huge in size. Magnificent in building materials. God's home on the new earth. God will be with mankind, not some far away place, but his tabernacle will dwell with mankind. Thus the reward for being chosen by Jesus as his own, is very great! All those not chosen by Jesus will end up going to hell, I believe. Hell is a place where the suffering never ends. It's best to accept Jesus as Lord & Saviour. The alternative is very dismal.

As you can see the current earth is mostly Water. But the new earth will have no sea. I guess that there will be a whole lot more land on the new earth, rather than the current earth. There will be no need for money, everyone will have their needs met by Jesus. We will all be a follower of Jesus, and he is our King! No person or spirit will be on the earth, that is opposed to Jesus...
