

The Un-Happy Doctor

There was an un-Happy doctor. He was quite rich, because he had performed many operations, over the years. Most of his operations were, either successful, or partially successful. He wanted, to give his patients, a better life to live. Then, one day, he noticed a bible, sitting on his shelf, at his house. He thought to himself, let me read it, and see if there is a better way, to make money, than what I have been doing...

He read, and read, the book, then he found these scriptures...

Matthew 9:20 And, behold, a woman, which was diseased with an issue of blood twelve years, came behind *him*, and touched the hem of his garment:

Matthew 9:21 For she said within herself, If I may but touch his garment, I shall be whole.

Matthew 9:22 But Jesus turned him about, and when he saw her, he said, **Daughter, be of good comfort; thy faith hath made thee whole.** And the woman was made whole from that hour.

Matthew 14:36 And besought him that they might only touch the hem of his garment: and as many as touched were made perfectly whole.

John 19:23 Then the soldiers, when they had crucified Jesus, took his garments, and made four parts, to every soldier a part; and also *his* coat: now the coat was without seam, woven from the top throughout.

John 19:24 They said therefore among themselves, Let us not rend it, but cast lots for it, whose it shall be: that the Scripture might be fulfilled, which saith, They parted my raiment among them, and for my vesture they did cast lots. These things therefore the soldiers did.

After reading these scriptures, the Doctor, thought, this is the answer to all my problems, all I need to do, is get a part of the garment, that Jesus wore, then I can heal people, in the name of Jesus, and make tons more money!

So, the doctor, hired servants, to research, and possibly find, a garment, that Jesus wore. The servants, researched, and were able, to find, through, the generations, of families, a person who had one of Jesus's garments...

The doctor was so happy. Thinking, to himself, I will have an easier job now, and my patients, will all be living, a perfect life, free from illness!

So, the doctor, visited, the person, that had the Garment of Jesus, and offered him, \$100,000 to get it. The person accepted the money for it.

So, the Doctor, went home with the Garment.

Then the Doctor tried it out. He had long lines of patients, and the fame spread wide about.

He would now see his patients, and, just ask them, 'Do you have faith in Jesus to heal You?'

And, if they answered, 'Yes!', he said, then touch this Garment of Jesus...They did, and all of their illnesses were healed...a happy ending for ALL!
