JESUS AS LORD AND SAVIOUR

First and most importantly Jesus Christ, gives us new bodies without sin. All of the old problems, have passed away. But, an old earth will not due either. So our wonderful new king Jesus, will by the power of God's Holy Spirit, creates an entire new Earth. Not the current physical earth, with all of it's problems, but a new spiritual earth, beyond anyones comprehension. It will be like Heaven on the new earth. A paradise beyond anyones dreams. Sin and it's creation will not be present on this wonderful New Earth, so that we will not go bad, by committing sin, as it is on this Old Earth. There will not be any people on the New Earth, who are evil! Everyone's free will, will be entirely in favor of Jesus as Lord and King of the Entire Earth. No more World Government will exist, for Jesus Christ is Lord and King of the entire Earth. There will be no more money, because everything is FREE. There will be no more WORK, because Jesus provides everything, that anyone would want. What a wonderful time we all will have, worshipping Jesus, because he has given us a new happiness, beyond any known life, that we have lived. Even all the dead will come back to life again, and then they too have an opportunity to live on a Perfect Earth. I am looking forward to this day, being on a Jesus Planet Earth. For the Holy Spirit of Jesus, and God the Father, will consume all of the Works that are on this current Earth, at a given moment, then Remodel the Earth into a spiritual paradise like Heaven. We will have 1000 Years of this New Earth Spiritual Paradise. I say it's, 1000 Years of happiness. There will be no more death, or sickness, everyone will be like Jesus and happy. No one will be an oppressor of another person, happiness will abound everywhere. It's beyond anyone's comprehension of the greatness and happiness the New Earth will be for us. Being like Jesus, everyone will be examples of Jesus, doing and saying the Words of Christ. Nothing unpleasant will be on the New Spiritual Earth. And, the Government is perfect run by Jesus Christ our Lord and Saviour. It will never come to an end. I thank Jesus for making this possible, to have this experience.

Rev 21:2 And I John saw the holy city, new Jerusalem, coming down from God out of heaven, prepared as a bride adorned for her husband.

Upon the approval of Jesus, followers of Jesus, can go into God's Home, new Jerusalem, which will at some time, be upon the Earth. God's home is greater than any home, anyone has every known. The presence of God's Holy Spirit, is everywhere, and no one has any worries. But, as for now, I live a meager life of the flesh. But, at this later time, we will be living a life of the Spirit. I look forward to this great day of Salvation.
