

## The Devil's religion is a little bit forceful!

Yes, at times the devils religion is a little bit forceful, or perhaps, mildly persuasive. It is a giving religion, which must be shared with many different people, thus, because you are trying to save your people from dyeing, without asking for any help from Jesus. Yes, it is a whole race of people, trying to save themselves by their own ability, or own abilities, with help from other people, who are part of the great kingdom of the devil! At least so you think! But, every person in the kingdom of Satan, kills other life equally as well as you your great highness! Why do I say you are great? Well, you greatly say that you are great, so I say you are great, because you say you are, great! I did not know, that you say your great! I suppose you believe that you are great, because of your past hard work, in accumulating earthly wealth. You seem, to go around talking to many people, trying to talk to people any tell them what to say, to themselves, or each other! Mayheim is a good name for you! Lets all live our lives on the earth with resentment towards other people, for we should not try to harm other people on the earth with our conversations, or our voices! Unless, you say, that it is part, of the devils word, or kingdom, thus you are just, doing what will please the devil!????@#\$%^ If I told you to preach Jesus to everyone you know, or would know, from now until the end of your time, you would tell me to what? \_\_\_\_\_? Fill in the blank? Because preaching the word of God Jesus, is not what you like to do? Any, I will never preach the gospel of Jesus, and you say, you can not make me preach Jesus to anyone!???? Are these the words that are coming out of my mouth, your mouth said these things. So you what!??? Try to sow the devils seed, his word, in other life, perhaps you would like everyone on the earth to preach the devils word! You are aware of it. I am just taking dictation as you are talking to me, keep talking to me, so I can make a Good story of your words. Maybe you will change your mind about trying to force, me, or people, to hear the voices, of the devils word. So I suppose, with enough conversations from the devil, you can then obtain a better life for yourselves. Thus you are trying to store up a persons life, in something tangible that you own, not really wanting a human around, but consider a person as a material belonging...This is all part of my mental illness!!!???? Yes, the devils word, can make people sick!!!???? That is why, I pass around what I have on the earth to other people, and someone dies a little bit. You like the devils word, because you think it's great, and enjoy watching people die, trying to force the devils word to kill someone, I may say, that the devils word has not killed me yet, and you are not happy about it! Because you believe that the devils word is great, and you resent that Jesus has defeated all that the devil's ability was able to accomplish! Yes the devil is proud of himself, being able to kill someone, but when he tried to kill Jesus, being proud of his ability to kill things, or people, he failed. Jesus never lost! And you are greatly have resentment against Jesus, especially Jesus, but you do not want to think about the losses from trying to kill Jesus, so you seek to find other lives that are not dead yet, finding people like yourselves to help with their life, perhaps rewarding them with earthly treasures, to do the devils bidding for you, but what if I preach Jesus until the day that I die!???? What will happen \_\_\_\_\_? Yourselves want me to die sooner!!!!???? Do you not know that Jesus has conquered the Devils ability to kill!! So you walk around believing that the devil has power to kill a person, in your own little world, Fearing that yourselves are coming to an end. And the devil does not want to come to and end!!!!???? You think that the devil is great, and will live forever, and you believe in him, and trust in him, because to fear your own death. So you try to protect yourselves from being harmed, by forcing the harm to another person, thus all harming each other well, then saying we should not harm ourselves, but harm someone else, who we do not depend on, for help, saying we have lots of money, and do not care, about the people, in whom we do not receive money from. So, it does not matter who we kill, or partially kill, we say to ourselves, that It does not matter, because we can continue our lives, because we have money in the bank, and great earthly provisions, and can just eat more food to stay alive. Because we are great survivors helping each other in life by joint conversations, telling the people, in which we do not depend on, to go to hell, because we have lots of

cash!!!!?? You may think you have a perfect game plan for life, for living!??? What is yourselves response? There are more than one of you! I suppose that you should try to stop preaching the devils word to people, because it is killing people on the earth. But, you say you are helping who \_\_\_\_\_?#%^& Live a better life??? So you like to kill other people for a living, by making this devils word, someones else take the life as their loss...But are you sure that Jesus is dead, or are you a little bit paranoid that Jesus could still be alive somewhere, fearing that he may come back to the earth someday, and get yourselves! Then yourselves will all come to and end, and I have no idea who will die as part of the devils kingdom, and who will Live with Jesus, and Jesus is the judge of my life, and everyone's life, and I am not a judge, why do you ask me to be!!!!???? #%^& Do you not know that God has made Jesus, his Son, the Judge over every life!!!!? What is your response to that \_\_\_\_\_? I'm sitting around doing nothing but typing up your stories to share with the world over the internet...Is that something you fear, everyone on the internet can read about you, and you will be great among your people...Yes you too will be famous, among your people, and believe that you have helped the devil win, but this only is a trivial happiness for yourselves to believe that the bad side has one, but revolting against God is like flying a plane into the SUN, using up all of your ammo against destroying the SUN, then flying your plane into the SUN, thus Burning up being inside the plane, after flying into the SUN you are DEAD! I have not tried that, but I suppose we will soon do that. But, you say it's stupid to attack the SUN with MISSLES, then fly into the SUN. But, the moral of this story, is if you hate God, and try to say to him, that you are greater than he is, being the Devils word in which ye are, it only means that you are stupid in doing something that has resulted in yourselves all dieing. And the moral of this story is, do not try to kill God, you will only kill yourselves fighting with Jesus or EVEN God himself! But, yourselves have not, been able to kill God, but you say that you Killed Jesus, and will one day be able to kill God as well, believing that you were born without any parents, then likewise, you resent your parents, and want to kill them to, so you think that you have to kill the parents, you were born from, just another life to kill, all from the false belief, that Satan created himself, and that God did not create Satan, this is the nature of the Beast!!! I hope that when you pass me around, That people will believe in Jesus more than then do, and you fear loosing, in the power of death, which you say that you have....Why don't you just give up, you can not kill God! Now you say that I should kill God, because you tried to kill God and where not able to do that!!! Now you say, that you believe that God has Been killed, and that God is DEAD! Being screwed up as I am! Then you say that you are God, and that God is DEAD and you killed him, but how exactly did you kill God???? \_\_\_\_\_ fill in the blank....I am not sure why you like to Judge the human race, and want them all to be dead...Maybe you think that it would be nice to live on the earth, all alone as the only people alive on the earth, then, like your god, your false god, the devil, and do anything you like, to whomever you wish, telling other people that they never should have been born, maybe you would like Jesus to have never been born, maybe God should have never been born, you have not gone to an extreme yet, or Have yourselves have...Only yourselves can answer that...Now you say that I have an illness believing all of this, and want me to be harmed in some way for typing in these conversations in which we speak, but preaching Jesus is more important for me, to loving more cash!!! So, I will win, Satan you have lost!!! Not by my might or ability, have I won, Jesus has helped me to become a winner, not a loser, in which yourselves would have liked me to be. So you pass around these conversations among different people, trying to force a person to be dead, loving the power of death, and greatly, how greatly, yourselves resent Jesus being God...Yes Jesus is my God, but yourselves say that Jesus is not yourselves God...Go figure...You can not help it that, yourselves were born that way, and EVEN Satan can not save himself from dieing! But yourselves all say that Satan will live forever, perhaps, but he is perpetually tormented, and gets worse and worse in life, in which he can live. But, the devil, Satan, \_\_\_\_\_, his other name, please fill it in, I can not spell that. So you like to use people's live to get a better life, for yourselves to enjoy...You have said this...You believe that you are that you have saved your people from God's wrath???? Yes,

Jesus sort of stops the devil's ability of killing a person, darn, I am still alive!!! Ooh, well, it's really not that bad anyway!!! Its like taking candy away from a baby, certain people I know have some ability, shall I dare say, of ripping off people, who would seem to have a better life to live! Its good to have a friend named \_\_\_\_\_ . The baby would enjoy the candy for a short time, then we go to the baby, and take away the candy, harming the baby a little, bit so we can inherit a little bit of happiness that the baby was enjoying. It's just our ability to enjoy the life for free??? Have I ripped you off!??? If you want to, it was your choice. We say so many bad things about people, that our tongue has created our death, dieing by our own words. It's best to say better things to other people, not say these bad things to people, trying to harm them with our words, while we transfer a happier life to what we own, turning the happier life, as a physical item such as food, or retail item. What a dismal life for the devils people....Then the baby starts to cry being harmed by our lives, while it looses its own life. Worrying about money, can make a person sick, if you care about money too much. Why do we say that we can make a person sick??? Do we have the intent to make people sick. Lets talk about that for awhile shall we. ???\$^%&% Then you believe that its good to make other people sick. Say, you are sick, I just said that. Leave us alone, or you will be, will be what, sick. Yes, a person can get sick of the Devils word!!! For the devils word slows you down. Where do you get the devils word from, do you go to hell to get it, where does the devils word come from?? \_\_\_\_\_ ? I don't know where it comes from! Why are you asking where it comes from?? Are you thus using the devils word as a punishment or harsh lesson for people to go thru??? \_\_\_\_\_ what is your answer? You know, people have a hard enough time living on this old earth, without your needs, for improvement of your lives. Why do you want to harm someone, who is writing down every word you say...I like to document the words you say, and make you famous over the internet. As long as you continue talking to me I can learn more about you, and I can make you all famous over the internet website, which you are viewing. Perhaps, the stories of yourselves, can help other people, or other people can read the words which are coming out of your mouths, and help you improve in life. But, you do not need help from me. Because, you are not well. Is it because you wanted me to be sick so that I could not help you, saying to yourself that you are better in life than any other person, having the intelligence given to you from your master, the Devil. He is good in life, until the day you go to hell, where the devil lives, and realize that you should have not served the DEVIL!!!!!!!!!!!! But, you want to serve the devil, and no one can for you to serve Jesus...It's our choice to serve the devil, and there is nothing, anyone can do about it. Your hearing voices again, your going to hear, these voices, because I do not want to hear, them! Ooh, I am making you hear voices, what are you going to do about it...Ooh, please talk to me more, I can sell you words on the internet website, Which I have, and anyone can read your stories...Learn the lesson, from the people who are dead, having served the devil all their life! You do not want to be dead also??? Dictation! The writing down of what people say to you, and want on paper...That's what I am doing! Stop doing it, we do not want to be that popular...You should thank me, for helping you be famous. So, we look for other lives to learn about, so we can say, the other person did it to you, which is to blame the harm on someone else!??? #\$\$^& You, know the more you talk, The more I can write stories about us??? Thank yourselves, for all the words you wanted to have written up, you are all so proud of the intelligence, in which you have, then you give your brains to other people, to lesson the load, of thinking for everyone's, so your plan to to use me, for your grand scheme, which is preaching the devils word for you, all the while, trying to prevent people from preaching Jesus to them, trying to change whoever preaches Jesus, to preach the devils word to them, saying that the devils word is better, than the word of God Jesus??? Maybe God will one day Judge your life, and you will not be alive on the earth anymore. When do you want me to die, or be killed? \_\_\_\_\_ Put a date an time here? Then try to have me killed at that time & Date...How long will you last?? Our end is nearer, than you think...Ooh are you trying to kill us?? Are you also paranoid, believing that people are trying to kill you, I have this illness also..Thank you so much for your thoughts, go to bed, who \_\_\_\_\_ ? Do you want me to sleep,

and never wake up again??? \$^%& You could threaten a person, to take away their money from them, perhaps, you would like the person to think about their life, while asking for their money, perhaps you believe that you will obtain their life materially, having them think about, their life, so a good life can be shared with others, shared with anyone, or disposed of in the garbage, or down the drain of a toilet telling the person not to think about yourselves anymore, or you will loose yourselves down the toilet drain. Thus we like tangible lives, tangible life, and we can study your life, and if we consider it to be of no value, we will dispose of it, like trash, garbage, shit, money, no not money, people would say that it's worth something, lets all think that \_\_\_\_\_ who's life, is not worth anything, to anyone, and if you have killed before with mental games you play, or are playing, having a person run out of life, and drop dead, because themselves ran our of life...So if you consider it good, for another person to run out of life and drop dead, wait until it happens to yourselves...Not that I would want you to run out of life and drop dead you \_\_\_\_\_ \$%^^. Why do you not like me this badly? What have I done to yourselves that you want me to be dead. I could send me all the money that I have, would you then feel bad about your wishes to want me to be dead, after I have blessed you with what I have on this earth. I am a god too, did you not know this, do you want to give your life to me. After all yourselves teach people how to become god's, as you are gods, but is this bad, to teach other people to be god's, like Satan believes he is a god. Yes I have an attitude problem, when I am around other people, so let me just go outside the house, and smoke a cigarette outdoors, and your life, will turn into the exhaled smoke out doors. Merry Holiday everyone. I hate holidays because stores are all closed, there is no mail today...Bummer..Cant go shopping today. This is on the subject, of what are you going to do today...Why do you ask? What if I told you that I was going to preach more Jesus today, would you like it or appreciate it! Ooh please let me do something on this earth, I am providing for my family, and I need more money to provide for their needs, and, also, I need more spiritual life, to pass around the family. That is another thing that I Like to do, I enjoy sex also...Why do you condemn my sex, saying that your sex is better...So you were told not to have sex, they you say, I can have sex with anyone who I want to, the whole earth reproduces its kind, why do you not want me to have a wife, then children, wives are a GIFT from God!! And, children are Gifts from God, and God took a rib from ADAM and made a woman from ADAM rib, thus eve emerged...And ADAM had a wife, and EVE, ADAM wife, was just what ADAM liked, EVE being made from ADAM while ADAM was thinking about what a GOOD wife would be like...I want my WIFE EVE, shes the BEST, and PLEASES me very well, being made from my BODY...No, I do not want a WIFE from THE BODY of the ANTI-CHRIST!!! And, you can not give me a wife from the body of the antichrist, I would not like her! I want a WIFE from Jesus, not a wife, sent from the devil...would would work against me...My joke is, If I told you that you were nice looking, would you hold it against me? Hold what against me...Do I have to explain that..So I know where you live on this earth, and you do not want me to know where you life, that is why you do not have your name on your checks in your check book, so that when you write a check, no one knows who you are, and they, they who, the person who receives your check, will not know, who you are!!! I like being known as \_\_\_\_\_...Fill in your name, or sign it...Then you authorize the person to take your money from you, but you wish to continue living on the earth, this old earth, which is coming to and end one Day, and I do not want to live on this OLD earth, anymore, I want to live on the NEW earth which you are living on. How do you get to LIVE on a NEW earth, which Jesus will CREATE again...If You are so smart, tell us the ANSWER! Well, to LIVE on a NEW EARTH, It will be a JESUS EARTH, not a SATAN BASED EARTH, where everyone is a JESUS Believer, all people in whom Jesus has SAVED, and all of the people worship Jesus as God, and give glory to Jesus, thus giving Jesus PRAISE, that is what we should do, and If we start PRAISEING Jesus NOW, it will be for our BEST!!! But, please forgive me, my HUSBAND, tells me to preach his word to people, but you husbands word kills people, do you want to kill people with your HUSBANDS word, IE his life, for he has a life in which is harmful to other people. You love this earth, and you love world authority, and Like to use it on other people, and like to make things happen

on the earth. But your stories, are what, not appreciated by anyone...I have a relationship illness, and when I am around other people, I share my life, with them and they die, from the life which I was living...You think sex is good too! Why do you like to tell other people if their right or if their WRONG!!!>>>??? Forgive me, I have a family sickness, they all believe that they are god, forgive me as much as possible, the family screwed me up, in this way, in which we are living...Family members up NORTH enjoy believing that they ARE Living in FLORIDA, and I told them to STAY out of FLORIDA, because I AM the god of FLORIDA, and you mister \_\_\_\_\_ are the god of NORTHBROOK, IL. But, I am not a god, I just want to joke around with yourselves, MISTER \_\_\_\_\_...Most of yourselves sicknesses is that you believe that you are a Judge of LIFE...Believing that you are a God, when you are really a god, and not even a god at all, end of story, why do you say end of story? You worry to much about your home not being ruined by another person, so you value what was previously purchased with cash, that if anyone decreases the worth of an item that you own, to punishment that person, telling themselves to go to hell, because we have enough money, and can take care of ourselves, forever, but we do not have that much money, that we can live on the earth forever, so the rent is due, how are you going to pay it...Well I have a wonderful church that I attend, a church which helps pay my bills, and they help me to pay my rent...Wouldn't you like to attend a church that helps you by giving you free food to eat, pays your rent for you when you can not pay it, I think that is GOOD for my church to HELP me pay the RENT, and feed me food & drink...But you say, it's good for me to get this help with my life, but are you plotting for the church not to HELP me, with my rent bill, which is DUE, and I do not have the money to pay the rent, because I spent the money on other things, which I thought were more important, I am penny wise, but pound foolish. Which means, I spend \$1000's of dollars, then clip coupons and to save a few pennies, at the grocery store. Please let me do something on this earth, I do not like the verbal agreements, which are used against me, telling me that I can do nothing on this earth, But I am, not able to DO Anything on this earth, unless Jesus gives me the ability to do Something! If I do things on this EARTH in which Jesus did not give me the ability to do, but, Satan gave me that ability, then I am wrong, because Satan gave me that ability, my BAD!? So, If you LOVE me PUNISH me if I do something on Satan's AUTHORITY, and reward me, if I do something, Jesus AUTHORITY. Then I will learn to LOVE Jesus, not LOVE Satan, as it should be in the first place...
