

God's Holy Spirit is the light of the World. It's light is greater than the Sun. The Holy Spirit gives us light. The Holy Spirit is LIFE. God's Home is made of Holy Spirit. It is perfect. It is un-changeable, and it can never be destroyed. God's Home is better than any home on the Earth. However, Satan's Home is made of Un-Holy Spirit, and it has many problems. God can not be asked to leave his home, and no one can evict him, for he is greater than any LIFE, and he created all life. Lucifer takes life from anyone he can, because God does not provide for his life, so he takes LIFE from the human race. The human race should only ask God for LIFE, not another person, and greatly not ANY CONNECTION with SATAN. Satan only give EVIL Spirit to a life, God ONLY gives HOLY Spirit to a LIFE. It's completely up to God to decide anything. No one can decide anything for God. God decides everything. The Devil only pretends to be God, so that he can steal life from someone. All of the Devils Creation is Violent and harmful, giving sinfulness to a life, and taking a life for itself, from whatever it chooses. The devil is a thief of LIFE. However, God provides his Holy Spirit to whoever he likes to. God's Holy Spirit never run's out, and never will. However, the Devil is running out of life and need's more Life. His time is short. However, God has always been perfectly Alive, and always will be. Satan plays many Games, which are evil. However, God is better at life than anyone else will EVER BE! God plays all the Games Perfectly, and does not have ANY worry about What the Devil can do. Whatever a SINNER does incorrectly, God can Correct the mistake, because his intelligence is PERFECT, beyond anyones intelligence, that he created. Never think that your intelligence is great, for ONLY God's intelligence is truly GREAT. That is why Jesus phrases God, because God's intelligence is greater than anyone's, that God Created. Satan is very forcefully with LIFE, but God is very Gentle. Satan destroys his own kind, what he created. Any different creations of Satan fight with each other, to get more life, because there is a shortage of life available to Satan, his demon's, and his creation. There is a very great demand for life to Keep the kingdom of HELL Happy! They take life by force. But taking LIFE from anyone ELSE but Jesus, or God, is a SIN. God want's you to only ask him for life, ASK for a small part of God's Holy Spirit, and be happy. Satan is not in control of himself, his demon's, and his kingdom, God IS! God takes care of the Earth, better than anyone ELSE CAN! If God does not give you ANY LIFE, WHY SHOULD I? Let God decide ALL thing's, for HE KNOWS BEST! Leave everything in God's hand's. Even Satan can return to being an ANGEL Light, if HE ONLY ask Jesus, for GOD's forgiveness. Because all things are possible for God! But I belive Satan's Heart is always Boastful of what he is able to do, and he NEVER SEEMS to REPENT of his SIN, so how can he be forgiven. It is not in the POWER of ANY LIFE which has CREATED a SIN, to be able to save itself from SIN, but all life which has created SIN, must ask JESUS to save them. Jesus helps a sinner to be restored to a perfect HOLY Spirit LIFE, without SIN! God can create an adult by his HOLY Spirit, an adult THAT has no earthly PARENTS, just as ADAM & EVE had no parents, God created them BY HIS HOLY SPIRIT! The Devil took the form of a serpent, and talked to EVE, to commit the first SIN! Why did he do this, because he wanted more life, so he persuaded EVE to SIN to obtain MORE life for himself. Satan tries to get everyone to commit more Sin, because he profits if a person Sin's, and get's more life from himself! This is the reason that Satan talks to a LIFE! To Get more life. People like to provide for other LIFE, which is Good, because God is a provider also. God is a greater provider than anyone can be. But, the main EVIL which seems to be is, that Some people provide for YOU, but latter ASK to BE REPAID with MONEY. This is a major SIN! For the bible clearly states that WHATEVER a PERSON ask's for you should give them, and NOT ASK for anything in return. For it is a SIN to ask for ANYTHING that another person has, regardless of what was given to them in the past. For the bible clearly states, Give to those who ASK, and your REWARD is from God, not from someone that God created. Never ask someone to repay you, that you have given to in the PAST, but rather ASK God to provide for you! But the PEOPLE on the EARTH are DESPERATE for CASH! They have chosen to DEPEND on CASH to PROVIDE for their needs, and HAVE rejected God, to provide everything for them. It is the EVIL Spirit which harms people, not PEOPLE harming PEOPLE. If a person harms you, you should forgive them, not 7 times, but 7 x 70 times, for the greater your forgiveness is, the GREATER God's forgiveness will be. Whenever we are involved in a conversation, we should recite the scripture in the BIBLE which best fit's. God's HOLY SPIRIT , however is the BEST Teacher of God's WORD!!!
